Application to become a Friend of Jikishoan

Jikishoan Zen Buddhist Community has one affiliation category (Friend) and three full membership categories (Member, Ordained Member and Honorary Member).

The Friend category is for people with a general interest in Zen Buddhism or who would like to support Jikishoan without necessarily being able to participate in Jikishoan's activities on a regular basis. It is also for people who live in rural Victoria, interstate or overseas.

Friends may participate fully in all Jikishoan activities and receive regular mailouts, including Myoju (the quarterly Jikishoan magazine), teaching program schedules, flyers and special invitations. Friends are not members of Jikishoan and do not have voting rights.

For information regarding full membership categories please see the website or contact the Membership Secretary.
