Leadership

Ekai Korematsu Osho is the main teacher and Director of Jikishoan's Zen Training and Integrated Buddhist Studies Program (IBS).

The IBS incorporates Main Course C with both Main Course A and B curriculums and overseas study

opportunities with two other teachers:

Prof. Robert Prior -Antioch University Buddhist Study Program in India

Suzuki Seido Roshi -Abbot of Toshoji, Soto Zen Training Monastery in Japan

Soto Zen Education

Main Course C Programme is for students interested in Soto Zen training and cultivation in a traditional manner.

A student is required to enrol in Bendoho retreats 2012 and follow an individual training plan and curriculum outlined in consultation with the Teacher. A personal interview with the Teacher and a yearlong commitment at least are essentials for this course entry.

To study the Buddha Way is to study the self. To study the self is to forget the self. To forget the self is to be verified by all things.

-Dogen Zenji
